The Lycée celebrates its 75th Anniversary (1935-2010) this current school year 2010-2011.

Out of 15 musicians in 3 Manyc bands, 10 are LFNY alumni, from '95 to '03. They got together in 2000 to found and build scenyc, an art, information, media and technology company, based in the South Bronx, NY.

The ideal stage is set for a Manyc high school homecoming, with proceeds to kick-off the Lycée Français de New York alumni fund.

All ages expected and welcome!
